EL RITO WILDLAND FIREFIGHTER TRAINING SCHEDULE

Taos, New Mexico, April 7, 2006 - The El Rito campus of Northern New Mexico Community College has scheduled several wildland firefighter training courses for the month of April. Students may fill out an application for admission at the following web site: www.nnmcc.edu. The schedule is as follows:

L280	Intermediate Fire Line Leadership	4/11 - 4/12	8:00 – 5:00
S234	Ignition Operation	4/10 – 4/13	8:00 – 5:00
S110	Wildland Fire Technician	4/20 – 4/23	8:00 – 5:00
I100, I200	Incident Command System	4/24 – 4/28	8:00 – 5:00
S230	Crew Boss	4/24 – 4/28	8:00 – 5:00
S271	Interagency Helicopter Air Crewmember	4/17-4/21	8:00-5:00

This module is predominantly used for resource management and wildland fire suppression activities to introduce air crewmembers to operations and provide them with a foundation in safe procedures. The areas covered are aviation safety, planning and readiness, procurement and administration, helibase and helispot organization, landing areas, personnel and cargo transport, medivac and crash rescue and specialized missions. Prerequisite for firefighter personnel is firefighter type II. To register for this class, go to the following website <http://iat.nifc.gov>. Contact person is Paul Mondragon at 505-586-0520.

For information on firefighter training courses, call Northern New Mexico Community College at 505-581-4115.
